Subject - The influence of T.V. & internet

Dear Sir

Through the columns of your esteemed newspaper I want to draw the kind attention of the parents and the students towards the influence of T.V. and internet on the students. These are not bad things but it is true that access of everything is bad. The students of the modern generation take these otherwise they use it in wrong way which affects them badly.

I appeal to everyone to use these with wisdom.

Thanking you
Yours faithfully

it. I am ending with these lines!

"Education is their birth right
so we must fight against child labour
we must fight"

Thaks for giving me ears.
