1600 Reference -

These lines have been taken from the poem 'Fog' written by 'Carl Sandburg'.

Context -

These lines tell us about the Comparison between the Fog and the little Cat.

Explanation - The poet says that The fog Comes quietly and silently like a little cat. It spreads over harbour and city and looks around. The fog looks like a cat who is sitting haunches. The fog moves

away as silently as he comes like a little cat.

### The Importance of Traffic Lights

Respected Principal, dear teachers and guardians, A very good Morning to all of you. Today I am going to deliver a short speech on 'The Importance of Traffic Lights'.

Traffic lights are very useful in traffic system. By these lights, people know what we have to do now. There are three colours in traffic light. The

Red Colour Shows that we have to stop. The yellow light shows that ~~we~~ <sup>we</sup> have to prepare. We can start driving on seeing the green light. Traffic lights control traffic. Traffic lights help in our safe journey. We should follow all the traffic rules and traffic lights. otherwise we have to face bad situation. These traffic lights are very important in traffic system.

Thanks for giving the ear.

The Player I like Most

My favourite game is Cricket So my Favourite Cricketer is Virat Kohli. He is an excellent cricketer. He plays cricket very smoothly. When he comes on the ground, the crowd begins to shout loudly. I like his style of batting and his attitude. He helps in every victory of India. His contribution to Indian team is very large. His behaviour with other players is also very good. I believe that in future, he will do more better performance and he will be called the Second 'Sachin'.

### Save Trees

Trees are very important for us. They provide us oxygen. We get many things from the trees such as fruits, vegetables, wood, rubber etc. They provide fodder for the animals. They help in causing rain. They prevent soil erosion. Many industries depend on trees. They provide shelter to birds and insects. But today humans are cutting the trees. Increasing of population is the main cause of cutting trees. We had cut almost all the trees. Cutting of trees is very harmful to human life. The environment has been polluted.
