Heart in the body, wheel in the vehicle and Library in School is very necessary. Library is a 'Part & parcel' of the school. In every school library is must. We can gain a lot of knowledge from the library in school. At least we take a period of library in a day.

Library provides us very books, informations, knowledge and a lot of confidence. The role of library in a school like as 'A Principal' in a school. Library plays an important role of everybody. In the school library builds a confidence in the students. Library provides us a lot of books, magazines, comics, newspaper, helpbooks and etc.
