skills by reading books in library. It is a very secluded place in school. It is a very silent place, where we easily read the books. We fill our mind with knowledge in library. It is very important place in student life. If we have any problem about our study then we take the help of higher level books from our library. A library is a place where students come and read. They read there silently. It is a best place for reading. It is an important place in school because a library shows the level of study in school. So, please I want to you that please issue more and more books from library and read them and develop your mental skills and make your future good.

town.

Sir

With respectfully I want to draw your kind
notice towards the problem of your town.
I am a normal person of your town.
I want to draw your attention towards
the irregular supply of electricity in
our town. The electricity goes off many
times in a day. There are many ups
and down in voltage. Some time light
goes off for a night or a long time.
The exams of class X^{th} and XII^{th} are going
on, so students feel worry and uneasiness
about it.

So please I request you to take necessary
steps towards this problem. Please
instruct the electricity department
and order to give light regular
during exams.

Hoping for favourable consideration.

"Thanking You"

Yours Faithfully
