Q4. Report - writing:-

Ans:-

## Clean India

(Jyotam Pandya, The Times of India)

2<sup>nd</sup> March '17, Jaipur.

Cleanliness provides us health, wealth and development to our country. Clean environment protects our country from lethal ailments, like, cancer, malaria, etc. Healthy environment provides us healthy thinking in progress of our nation.

Clean and hygiene environments attracts foreigners to come in our country and spend their money here, which bring rise in our GDP (Gross domestic product) value. It is well said that, "Cleanliness is next to Godliness". Our country's President also starts 'Clean India Mission' to make India clean and green.

Above all these, a mission or a thinking can only fulfilled with the support of country people. We should help our nation in making it clean. Use dustbins, ban polythenes, etc. things help to achieve a great success.

Q5. Letter - writing :-

Ans:

Q6. Article :-

Ans:-

### Education of girl child

'Beti Bachao Beti Padhao' campaign was launched on 22<sup>nd</sup> January 2015 by the government of our country. The campaign fully focused on the education of girl child. A girl should be educated to make progress of nation. As, girls are the half part of our population. If girls are illiterate that means our half nation is illiterate. And, we well know that with illiterate people we can't achieve development. If a girl is educated then she can teach her own children.

Girls are nowhere behind the boys. They are in all fields of bright India. They are doctors, engineers, teachers, politician, astrologer, etc. Some poor families doesn't allowed their girl to study just because of lack of money. Now, govt. is providing free education in school where they can learn and write a story of their blooming future.
