## 1. SECTION – A 10

Dear Students,

Undoubtedly education is the most powerful weapon one can use to change the world. Undeniably, / it is just one book, one pen, one child and one teacher, who sustain the power to / change the world. In similar synergy, we should remember that it is the teacher who plays an inevitable / role in this entire process of transformation. A good teacher can inspire hope, ignite the imagination, and // instill love of learning.

Let it be any era, ancient, medieval, modern or contemporary, the / role and pedestal of teachers, their support in wading us through multiple responsibilities, so one and so forth /, have always brought us to a nostalgic feeling to express our respect to our teachers, especially on the / occasion of Teachers Day, celebrated throughout the country on September 5<sup>th</sup> every year.

Living in a system where // people are judged by their excellence in competition. One is bound to achieve pinnacle of excellence and efficacy only under / contemporaries and constant guidance. Considering the significance of the same, in institute as your Alma-Master is / putting every effort forward in ensuring inspiration, encouragement and motivation towards preparing each one of its students as one / of the finest professionals serving with excellence and sailing competition with success.

Friends, when perfection is a constant companion for // transformation and it is teachers who guide us in staying attuned with the transformations in the society, I feel my / self indebted to the Institute as well as to all the Teachers associated with the Institute, not just for / today but for every other day.

Once again I would like to extend my best wishes to all Gurus /, Guides, Coaches & Mentors on Teachers' Day.

C.S. Ranjeet Pandey

President,

ICSI. //

## YOGA FOR FAR-BETTER LIVING

The praise of India without yoga is like Shakespeare's 'Hamlet' without Prince of / 1/4  
Denmark. Indian Philosophy 'Satyam Shivam Sundram' and Western Philosophy "Truth  
is Beauty and Beauty is truth" / can be well-known through yoga. The external activities 1/2  
of a man can bring name and fame but / internal sight where peace, beauty, emotions, 3/4  
humanity and feeling lie can be raised only by Yoga. // Yoga makes people look inward. 1  
The only way to experience true well-being is to turn inward. / This is way what yoga 1 1/4  
means-not up, not down, not out but in yoga as any / form of union through knowledge, 1 1/2  
love, action etc. Since these are also means of liberation and thus instruments / of 1 3/4  
realization. Yoga's past is old but history is young. The Yogasanas that originated from  
ancient India, // Travelled the world and became synergetic in nature in the 20<sup>th</sup> century. 2  
The 20 century Hinduism and mystical Indian / began to attract the western word as one 2 1/4  
seer put it, "Like honey bees to blooming flower." / The journey of Swami Vivekanand 2 1/2  
and other spiritual gurus crossed the Western countries having a message what Hindustan  
is in / itself ? The impact of the message showed its grandeur and raised a ray of hope 2 3/4  
amidst uncertainty, unlikeness //, human follies and falling of social values. Money 3  
Western thinkers & artists came to mystic India. Most / of them namely Alain Denielou, 3 1/4

the Beatles, Steve Jobs, Yehudi Menuhin had a deep bath in the / tub of yoga. No doubt,  $3\frac{1}{2}$   
 Indians have also recognized the true value of yoga since then. Before / this we thought  $3\frac{3}{4}$   
 that yoga was meant only for monks and spiritual persons. Parents are afraid if a child // 4  
 practices yoga and goes in Dhyan then it will be no use for him of this material world.

What / is yoga ? The answer is very simple and clear as crystal. Yoga means to add  $4\frac{1}{4}$   
 some thing. Yoga / means union. It unites people. It is both a Philosophy and Science. It  $4\frac{1}{2}$   
 is for people of / any faith or even no faith. Yoga's chants and mantras are related to  $4\frac{3}{4}$   
 Science of sound. Some researchers // in different kinds of Universities have proved that 5  
 Chants and Mantras have power to make one balanced, active and / social. Seeing this  $5\frac{1}{4}$   
 virtu and ability and our request and strong demand the United Nations had to declare the  
 / 21 June every year to be celebrated to International Yoga Day. In 2015 on 21 June  $5\frac{1}{2}$   
 when eighty four / countries of the world came to practicise yoga altogether was the day  $5\frac{3}{4}$   
 for our pride and glory. The whole // world witnessed that yoga is not for an age, a land 6  
 or a person but it is for all / ages, all lands and all persons.  $6\frac{1}{4}$

Yoga is possibly India's greatest export and gift to the world. / It / belongs to the  $6\frac{1}{4}$   
realm of knowledge that is eternal. Indian should take pride in yoga that is accepted / and  $6\frac{3}{4}$   
acknowledged universally. Now, right from today be ready to make friendship with yoga  
for far better living. //
