SECTION - A

1-7. Read the passage carefully and answer the questions given below :- **[7½]**

India is one of the seven biodiverse countries of the world and has a rich cultural heritage. It has a vast potential of eco-tourism that needs to be tapped for economic benefits as well as for healthy conservation and preservation of nature. In the international year of eco-tourism some important decisions were taken by the government and private sectors to promote eco-tourism.

It is becoming evident that increased tourism to sensitive natural areas in the absence of appropriate planning and management can become a threat to the integrity of both eco-systems and local cultures. An increasing number of visitors to ecologically sensitive areas can lead to significant environmental degradation. Likewise local communities and indigenous cultures can be harmed in numerous ways by an influence of foreign visitors and wealth.

1. Which country is one of the seven biodiverse countries? **[1]**
2. For what should India tap eco-tourism? **[1]**
3. Why were some important decisions taken? **[1]**
4. When can increased tourism become a threat? **[1]**
5. How can local communities and indigenous cultures be harmed? **[1]**

8-14. Read the passage carefully and answer the questions given below :- [7½]

It seems to be essential to the mental health and happiness of every individual that he should have something to which he can assert exclusive possession something, as we say, that he can call his own. Delight in owning things usually shows itself as the second year of life, when the words “my” and “mine” are among the first that the child learns to utter.

Parents and teachers can make use of this characteristic of human nature in many ways. In the home a child can be led to acquire orderly habit by being encouraged to arrange his own possessions tidily, and this valuable training can be continued at school. Where he can be helped to keep carefully arranged sample of his own handiwork, such as drawing, painting, specimens of his handwriting, well done arithmetic exercises and the like.

8. What is essential to the mental health and happiness of every individual? [1]
