SECTION - A
(Reading)

1-7. Read the passage carefully and answer the questions given below : **[7½]**

We should understand our parental responsibilities to the world environment. Remember that the living space of this world and we must have enough space for our future generations to live happily. To achieve that aim, we must practice family planning and limit the birth rate by having only one or two children per couple. Between each birth there should be a gap of three or four years so that each child is not deprived of the right to sufficient parental love and care. Family planning really means family welfare, as it helps to keep women healthy enough to contribute to a happy home environment. A happy healthy mother is a key to the welfare of the whole family.

1. What should we understand? **[1]**
2. For whom we must have enough space? **[1]**
3. What should we do to achieve that aim? **[1]**
4. How much gap there should be between the each birth? **[1]**
